### Description:

Balloon Crush™ is a kid-friendly game that engages the novice shooter in a fun, entertaining game of skill. The game allows new shooters to get comfortable with a firearm with multiple targets to shoot.

Balloon Crush has two different modes—day time and night time mode. The object of the game is to shoot the balloons before they float to the top of the screen out of reach. You can score extra points by shooting multiple balloons in a row as well as shooting the hot air balloons and birds. A word of caution: this is quite an addictive game and should only be played when you don't have other important things going on!
