Description:

Balloon Safari is a fun and light hearted game, specifically tailored towards kids. The game was created based upon an African Animal Safari; running through the jungle, peaking over canopy trees, trudging through the swampy mashes, Balloon Safari has it all. On the safari you will encounter alligators, zebras, giraffes, elephants, and many other animals. The objective of the game is to acquire as many points as possible. This is achieved through shooting as many animals as you can. Shoot by yourself or with a team, you can have up to four players. There are currently four different safari scenarios, each lasting between one and three minutes. This is an addictive game allowing you to have fun, while honing your shooting skills.
